Mr. George Z. Alden — Faculty Member 1951-69

"And gladly wolde he lerne, and gladly teche." Chaucer.

Someone once said, "If one writes upon stone, it will crumble. To write on brass, one writes knowing that it will surely tarnish and rust away. But if one writes upon the minds of men, one has written on eternity." To the many cadets who have had the privilege to have studied under "Mr. Zack," he has made an eternal impression.

On June 1, 1969, CHA cadet corps, faculty, and alumni paid tribute to Mr. George Z. Alden as he begins his retirement. Mr. Cary Beam, Class of '58, presented Mr. Alden an engraved plaque listing names of students presenting the gift of a radio-record player.

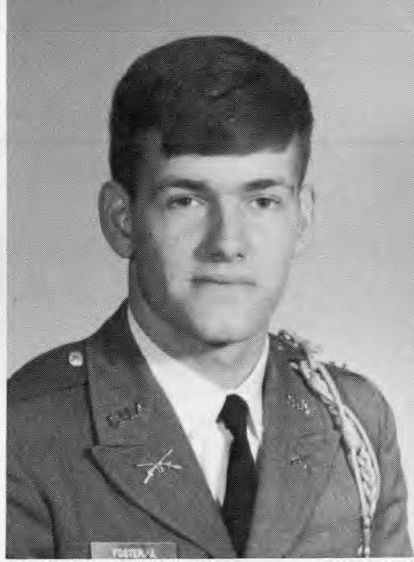

Members of the faculty and staff of CHA also presented Mr. Alden with a gift certificate and plaque commemorating his years of service to CHA.

Campus Supper And

Graduation weekend at Chamberlain-Hunt officially gets under way on the Saturday afternoon before graduation. Long a tradition at CHA is the campus supper, where the entire corps, their parents, and friends gather on the front campus for the delicious meal.

Soon after supper the corps begin to assemble for the march to Wildcat Field for the final retreat parade. Before the parade all non-academic awards are presented, and the eighth grade is graduated to high school.

One of the most impressive ceremonies of the evening is the burning of the flag by members of the senior class. It is also traditional for a member of the graduating class to present a new flag to the corps for use the next year. Rounding out the evening is the parade of the corps before the reviewing stand.

Final Retreat Parade

Perry Williams is presented with the Silver Sabre Award as the senior cadet who made the most outstanding contribution to the general excellence of the military program.

Steve Allen received the Beauvoir Award as the member of the corps who best meets the qualities of Jefferson Davis as a soldier, Secretary of War, Congressman U. S. Senator and builder of a reunited nation.

A moment of silence and sadness as members of the senior class burn the flag.

“Insurance For Your Every Need”

The SOUND-OFF Staff of 1969-70 attending a yearbook workshop at Belhaven College in Jackson, Mississippi on April 19, 1969.

L. TO R. : Mr. David Barham, Adviser; Bill Webb, Danny Cohn, Billy Black, John Jackson, Mrs. Jane Newman, Adviser.

There Will Always Be Someone Taking Your Measure!

Some measures are taken with a tape but the more important measures of life are taken by the people who size us up, whether it be a sweetheart, a classmate, a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or not, scrutinizing the dimensions not only of our physiques but of our minds, abilities and characters.

Your training at Chamberlain-Hunt Academy has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet four-square to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

We measure Cadets for uniforms. Our customers measure us in their appraisal of our ability to execute a uniform contract satisfactorily. It will be a never-ending effort on our part to keep our measurements good in the eyes of Chamberlain-Hunt Acd.

We salute the Graduating Class and wish you all Godspeed in your chosen field of endeavor.
