THE JUNIOR CLASS

We the people of the Junior Class of Chamberlain-Hunt Academy look into the future with a sense of fulfilled anticipation— aware that after eleven years of tribulation and toil, the fruits of our labor are indeed beginning to bloom. We are at the point in life when the sensation of being young, vibrant and alive helps us to face our growing responsibility.

It is an undeniable fact that experiences help us learn, and in this sense, we have mastered our task. As we bid our farewells to the graduation class of '72, we take it upon ourselves to match and exceed their fine example for the coming year.

Twelve of our number have shown unusual ambition by graduating one year early. This in itself shows the spirit with which we regard our studies. This is an unprecendented feat and is a mirror to our enthusiasm.

To show our appreciation for the hours of counsel and advice given us by the graduating class, we have endeavored to make the Junior- Senior Prom a milestone in the lives of the seniors. It will surely be one in ours.

This has been a year of associations with many interesting people from many interesting places. We shall look back upon this school year as a great one.

Chamberlain-Hunt Academy is a college preparatory, military school for boys located in the rollings hills

of southwest Mississippi in Port Gibson. The Academy enjoys a heritage dating back to 1879 when Mississippi

Presbyterians established a secondary school at Port Gibson to offer "a classical secondary education in a thoroughly Christian atmosphere." Chamberlain-Hunt is an outgrowth of Oakland College, which dates back to 1830. Dr. Jeremiah Chamberlain, a Presbyterian minister from Penn-

Oakland College, in the south-west corner of Claiborne County, close to the banks of the Mississippi River, opened its doors in 1830 under the administration of Dr. Chamberlain and proceeded to enrich the entire southwest with its many distinguished graduates.

What is it you are searching for, groping for? Is it the eyes of our youthful faces? It's as if you were looking into a durable glass wall not capable of seeing in, only seeing the outer apperances. Our faces are barriers, on a printed page, but what lies beyond the faces is a strange and marvelous thing; a true enlightment of the world, knowledge.

We are searching for more knowledge. For the vitality of youth thrives on that which must be perceived. Throughout this

great many knowledgable past memories to be retained and recalled to consciousness. We have sought, and are seeking a reality and a contact with the outside world. This is, in a way a barrier, a barrier from within the individual's mind.

These goals have been attempted by each of us, the Sophomore Class of 1972. We have tried our best to reach them and we will continue to strive, for Chamberlain-Hunt has given us a reason to reach out and be ourselves.

FRESHMAN NOTES

We, the Freshman class of 1972, consisting of thirty-nine boys and fourteen girls, have experienced many changes during our first year of High School. The transition from Junior High to High School has taught us a lot, and we look forward to the next three years of our high school career—the years leading to graduation.

We have been taught and given advice about these years, and we know that one can only learn when he makes the effort. The doors of learning

are opening to us. Are we ready?

Shreve Guthrie Sets Record In South Miss. Meet.

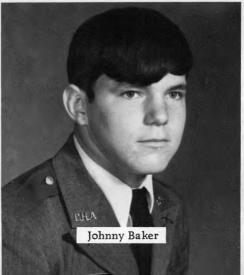

The CHA track team qualified two members for the State Academy track meet at the South Mississippi meet held Saturday May 6th in Jackson. The state meet is to be held Saturday May 13th, on the Jackson Prep track.

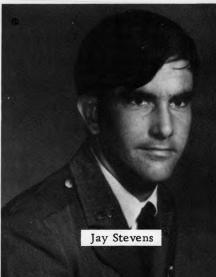

John Baker was the first qualifier with a third place in setting a new South Mississippi record in the 120 yard high hurdles with a timing of 15.1. will be a definite threat to become a state champion in that event.

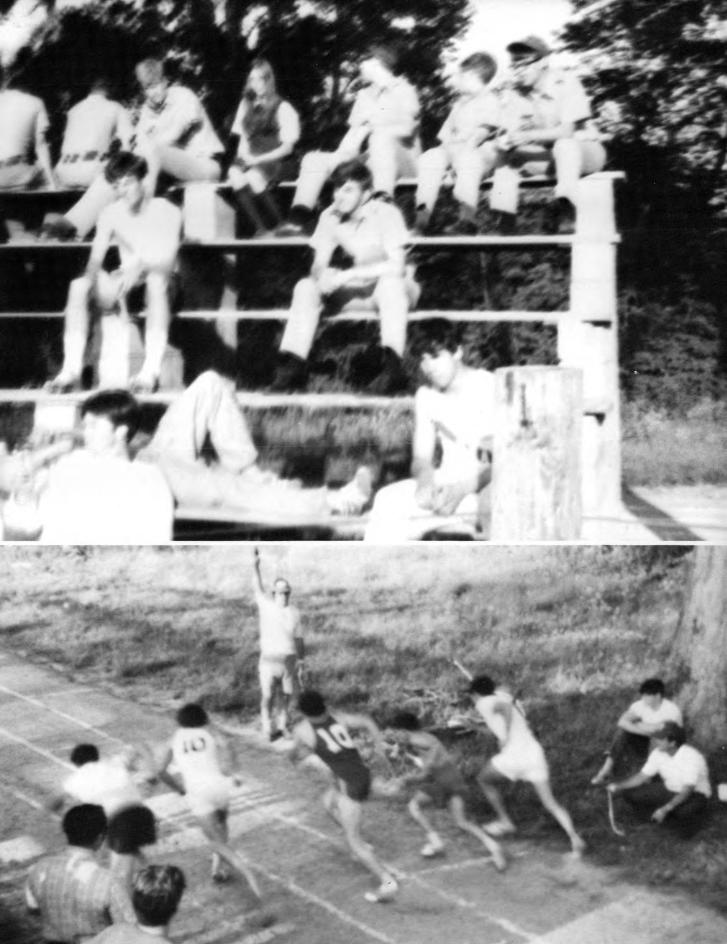

Shreve Guthrie has steadily improved in his specialty with the 15.1 timing being his best ever in this event. Shreve also ran a surprising second in the 180 yard low hurdles and placed second in this event. Guthrie in the event for an injured Jay Stevens, running the low hurdles for the first time in competition.

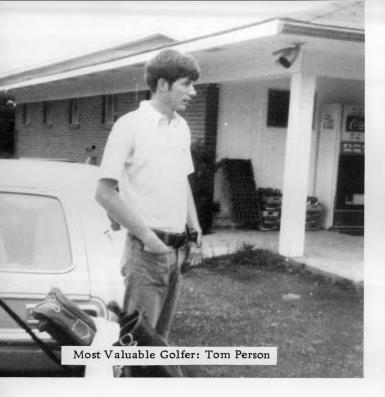

At the statewide Academy Track Meet on May 13th, Shreve Guthrie carried CHA colors to a second place finish in the 120-yard high hurdled and to a third place in the 180-yard low hurdles.

GOLF

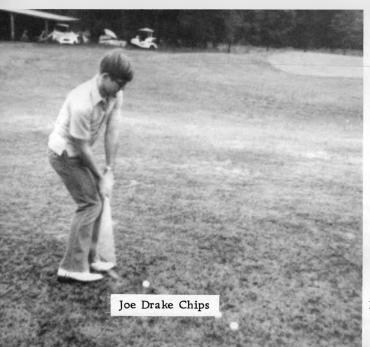

The golf team coached by Mr. Allison Killingsworth, split a pair of matches during the week, defeating Copiah Academy Saturday at Mosswood, Port Gibson, and losing to Jackson McCluer in Jackson Friday. Tom Person of CHA was medalist in each match, posting a 75 Saturday and as 80 Tuesday at the Brookwood Country Clúb.

The golf team fell to McCluer of Jackson 319-370. Tom Person of CHA and Rocky Fain of Mc-Cluer had low scores of 76 each on Mosswood

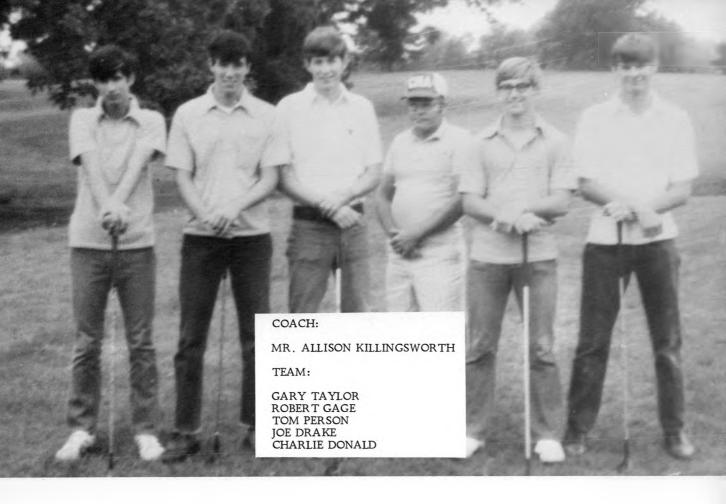

The golf squad lost two matches Friday and Monday to a strong Canton foursome. Friday's match saw the Cadets post their best score for the season on the Mosswood course. Tom Person was medalist with a 75, with Robert Gage carding 86, Gary Taylor, 89, and Joe Drake, 92.

On the Canton Country Club links Monday, all squadmen posted higher scores on the unfamiliar

The CHS tennis team began its second year with high hopes and many new players. The first match with Jackson, McCluer was lost 5-1. Steve Dobbs and John Parker scored the one win in the second doubles-match. In a later McCluer match, Dobbs and Parker were again winners for CHA.

Both Natchez Trinity matches marked grave losses for CHA against the well-organized, trained opponents.

Despite numerous defeats, we enjoyed the season and gained many friends. In spite of the loss of senior players

ATHLETIC AWARDS BANQUET

ATHLETIC BANQUET - MAY 12, 1972

The annual athletic banquet was held in the Academy Dining Room. A number of parents and faculty were present as guests. The event was highlighted by the presentation of awards.

Athletic director, Larry Hancock presented Varsity and Junior High letter certificates to 151 athletes. This recognizes the high percentage of the student body participating in organized athletics.

Shreve Guthrie received an award in track as the Most Valuable member of the team. He also won the award in basketball for Sportsmanship and Dedication.

Tom Person received the honor as the Most Valuable Player in basketball, and the Golf award.

Football Awards

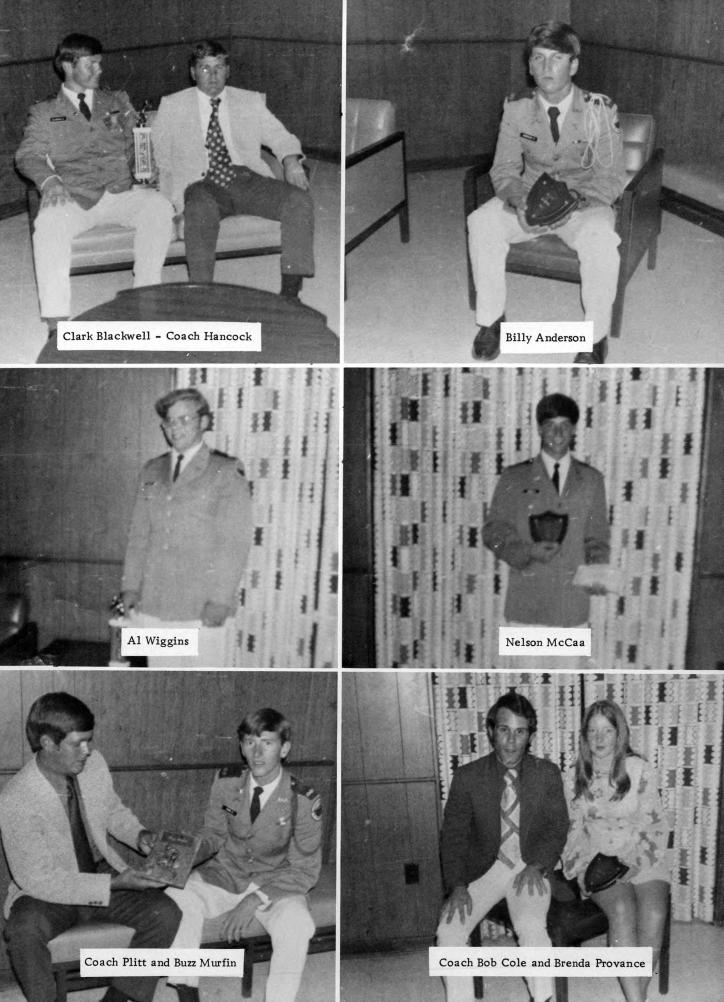

Clark Blackwell was named best back; Al Wiggens, best linemman; and Buzz Murfin, most improved player of the season.

In baseball the Most Valuable award went to Billy Anderson.

Nelson McCaa received the Most Valuable Player award in tennis.

The only award presented to a girl went to Brenda Provance, who was named Most Valuable player in basketball.

The 1972 Junior-Senior Prom was one of the most successful events of the year.

The dance, which began at 9:00 PM, was in the Kennedy Gymnasium. "Saturday's America" provided the music.

As the Seniors and their dates walked out on the dance floor, the band played "Color My World." Delicious refreshments of punch and petite fors were served in the lobby.

After the dance, "Sometimes a Great Notion" was shown at the Auto-Vue Drive-in. Everyone grouped around cars and reminisced. Before leaving, open thanks was given to Mrs. Celia Starnes, chaperone of the events.

Following the drive-in, a breakfast was held at Mosswood Country Club. The parents of the Juniors sponsored this event, and a many of delicious ages, because the start was filled to the start of t

TOP SCHOLARS—JUNIORS

VERNON GUTHRIE IN SPATS PROGRAM AT MISS. STATE

Vernon Hart Guthrie of Port Gibson was one of thirty-seven outstanding high school students from across the state selected to participate in the Summer program for Academically Talented Students (SPATS) at Mississippi State University.

Participants were chosen on the basis of academic achievement, American College Test scores, and recommendations from high school principals.

Typical SPATS students will be high school seniors next fall, but this summer attended college classes alongside regular students at MSU. Credits earned during the program will become part of the SPATS scholars' college records when they graduate from high school.

Vernon is a son of Mr. and Mrs. W. S. Guthrie, Jr., and a student at Chamberlain-Hunt Academy.

TOP SCHOLARS

The top high school juniors from several states attended the Springboard Orientation Day recently at the University of Southern Mississippi. Springboard is a summer program for high school juniors who have scored high on national tests and school grades. College credit is held in abeyance until they complete high school. Steve Dobbs, son of Mr. and Mrs. Charles R. Dobbs received a springboard scholarship for the summer of 1972.

BOYS' STATE DELEGATES

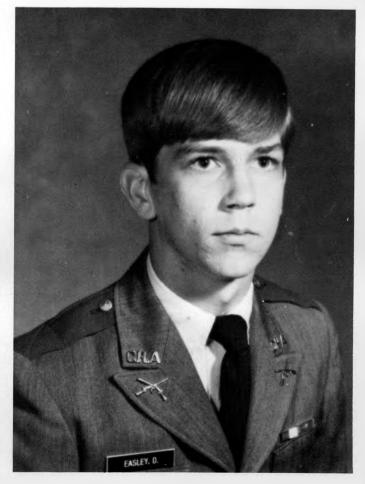

Two CHA juniors represented Claiborne County at the 1972 session of the American Legion-sponsored Mississippi Boy's State.

William N. Cassell and David D. Easley participated in this annual civic event which was in session June 3 through June 10 on the campus of Hinds Junior College at Raymond, Mississippi.

These junior boys took part in the organization of political parties, campaigns, election and the enactment and enforcement of their own laws within a mythical 51st state.

Boy's State is one of the outstanding youth-training programs of The American Legion. The boys had an opportunity to learn more about the functions of government while seeing through practical applications, the importance of the role of each citizen in discharging his basic citizenship responsobilities.

RETIRING OUR FLAG

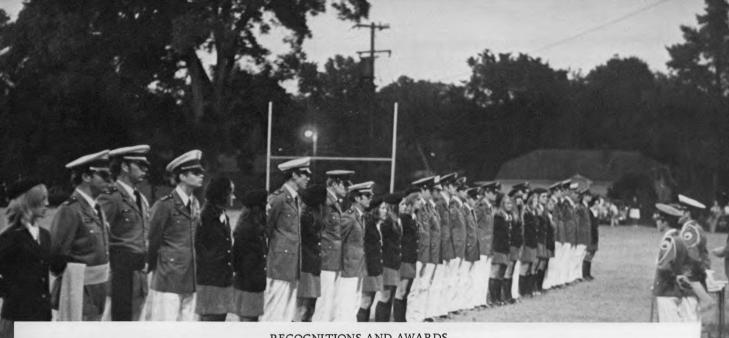

The usual military custom of retiring the flag is to bury or burn it. At Chamberlain-Hunt, the flag that was used the preceding year is burned with pomp and ceremony. The parents of a senior present a new flag to the school to be flown on campus the next year.

In keeping with this tradition, Mr. and Mrs. Aubrey

There Will Always Be Someone Taking Your Measure

Some measures are taken with a tape but the most important measures of life are taken by the people who size up, whether it be a sweetheart, a classmate, or a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or now, scrutinizing the dimensions not only of our physiques but of our minds, abilities and characters.

Your training at Chamberlain-Hunt Academy has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet four-square to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

We measure Cadets for uniforms. Our customers measure us in their appraisal of our ability to execute a uniform contract satisfactorily. It will be a never-ending effort on our part to keep our measurements good in the eyes of Chamberlin-Hunt Academy.

We salute the Graduating Class and wish you all Godspeed in your chosen field of endeavor.

HOMECON

Homecoming was held on Friday, October 6th, 1972. Those elected for our court by classes were maids: Ruthie Drake, Kay Guthrie, Cindy Starnes and Beth Daniels. Sally Hatcher reigned as queen, escorted by George Culley. The maids were escorted to the field by cadet corp officers: Ed Sullenberger, Timmy Starnes, Barry Couvillion, and Rocky Savage. The drill team gave a Queen Anne Salute as Sally was present-to the corps and visitors.

ST. JOHN CHAPTER 15

I am the true vine, and my father is the husbandman. 2 Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit.

3 Now ye are clean through the word which I have

spoken unto you.

4 Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.

5 I am the vine, ye are the branches. He that abideth

in me, and I in him, the same bringeth forth much fruit; for without me ye can do nothing.
6 If a man abide not in me, he is cast forth as a branch, and is withered; and men gather them, and cast them into the fire, and they are burned.
7 If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.
8 Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples.

PHILOSOPHY AND PURPOSE

Chamberlain-Hunt believes that each student entrusted to its care has certain God-given talents which he has an obligation to use. If, through self-neglect, he is not using, training or developing these talents, the Academy will make every effort to motivate him to do so. Each student is a God-created individual and it is the concern of the staff that "he grow in wisdom and in stature, and in favor with God and man".

In our permissive society of today too many of our youth lack the discipline and drive to succeed in the art of living. The disciplined, Christian atmosphere on campus can mean that a student can grow, develop and mature into a disciplined, stable Christian adult rather than an untrained, undisciplined, individual who will become a parasite on society.

We feel that all youth have the right to the best the adult world has to offer, but they should realize their obligations to self and society for the privilege of having access to a formal education. The Church, home and school have their part in the education of youth. However, for those entrusted to the care of the Academy, it supplants the home in the influence on the cadet. We accept this responsibility as a sacred trust and are aware that only through the guidance of God can we realize the goal of being a vital, functioning arm of the Presbyterian Church.

Chamberlain-Hunt Academy is a college preparatory, military school located in the rolling hills of southwest Mississippi at Port Gibson. The Academy enjoys a heritage dating back to 1879 when Mississippi Presbyterians established a secondary school at Port Gibson to offer "a classical secondary education in a thoroughly Christian atmosphere". Chamberlain-Hunt is an outgrowth of Oakland College, which dates back to 1830. Dr. Jeremiah Chamberlain, a Presbyterian minister from Pennsylvania, came to the then largely unsettled and unorganized southwest to bring the message of the Church and to establish and educational institution to train teachers and ministers in this rapidly developing section. Oakland College, in the southwest corner of Claiborne County, close to the banks of the Mississippi River, opened its doors in 1830 under the administration of Dr. Chamberlain and proceeded to enrich the southwest with its many distinguished graduates.

Our Heritage

Oakland was most fortunate to have as its Chairman of the Board of Trustees, Mr. David Hunt, a wealthy planter of the area and an ardent supporter of education. Through years of near continuous financial crisis, Oakland survived until the beginning of the great conflict between the States in 1861. The onset of the War saw the staff, faculty and student body alike enter the service of their country. A feeble effort was made immediately after the War to re-open the college, but without the driving leadership of Dr. Chamberlain and the financial acumen of Mr. Hunt, the doors were permanently closed in 1867. After the closing of the institution, the property was sold to the state of Mississippi for the purpose of establishing a negro college. The proceeds of this sale was used to satisfy the creditors of the college and the remainder of the funds were used to establish Chamberlain-Hunt in 1879.

STAFF

The Academy administrative staff includes the President, Principal, Admissions Officer-Public Relations Director, Commandant, Assistant Commandant, Chaplain, Bookkeeper, Dietitian, Nurse and adequate clerical assistance. The teaching staff includes a full-time librarian, a developmental reading specialist, and twenty-two instructors. The staff numbers seven members with advanced degrees, and nearly all can boost graduate work. Staff represents an average of ten years experience as instructors or administrators. The coaches of the various athletic teams are drawn from the faculty as are all the directors of extra-curricular activities. Nearly half of the staff live on campus and eat their meals in the Academy dining hall.

ACADEMIC PROGRAM

The curriculum at Chamberlain-Hunt is essentially college preparatory with sixteen units in the area of English, foreign language, science, mathematics, social studies or business education required for graduation, along with two years of Bible. Subjects offered include those courses required by the major colleges of the South. Instructors are carefully chosen for their professional qualifications and desire and ability to work with young people. The Academy is accredited by the Southern Association of Colleges and Schools, the Mississippi Accreditation Commission and the Mid-South Association of Independent Schools. Small classes, individual attention, supervised study halls, and a close check on the progress of each student characterize the academic program.

FACILITIES

The Academy can accommodate two hundred and ten boarding students and one hundred and seventy-five day students. Thirty of the boarding cadets are housed in portable housing units. McComb Hall houses classrooms, administrative offices, the library, containing over 5000 volumns, and an eighty seat study hall. The Science Building houses all science classrooms and laboratories. This is the newest building on campus and boosts the most up-to-date teaching equipment available. Guthrie Hall houses three staff members and seventy-five cadets. This dormitory was one of the original buildings, built on the present site in 1901. Éxtensive renovation was done to this dormitory in 1958. Redus Hall, constructed in 1925, houses two staff members and thirty-six cadets. Gage Hall, erected in 1948, has quarters for three staff members and fifty-five cadets. Kennedy Gymnasium affords facilities for basketball, volleyball, gymnastics, ping-pong, and billiards. It also provides a recreation area with soda fountain, canteen and dressing rooms. The lobby of the gym serves as a visitation lounge for off-campus visitors. Jenkins Infirmary provides ample medical facilities for the Academy, including resident nurse's quarters, examination room, isolation rooms and general ward.

The campus proper contains approximately twenty acres, but the entire school property amounts to one hundred and sixty-seven acres. This acreage is woodland and contains one small lake.

The 1972 season of the Wildcats will be remembered for many years to come. We started out the season with a 46-0 loss to Indianola, but this didn't dampen the enthusiasm of the team. Through the supreme effort of the crowd, the determination of the squad, and the skillful guidance of the coaches the following week we beat Centerville, the predicted conference champ, in a game that will never be forgotten. We carried this spirit and determination throughout the rest of the season. Homecoming, October 6, was highlighted by a victory over Amite in which our spirits were boosted by the new addition to Coach Hancock's family, Mary Katherine. The next few weeks we played some of our hardest games and calling upon the coordination of the defense and offense we obtained victories. We lost a heartbreaker to Besson the next week but came back and ended our season on a high note with a 37-0 victory over Miss. Baptist. The team and coaches wish to share credit with the cheerleaders, band, cadets, parents, and all of the fans, for without them this season wouldn't have been the successful and well-remembered one that it was.

The Wildcat Varsity Basketball Team, struggled for height this year, ended with a 7 win-16 loss record. The team finished the season in the district tournament after defeating Wilkerson County and then losing to Beeson the top seeded team in the district. The Wildcats however, were well coached during the tournament.

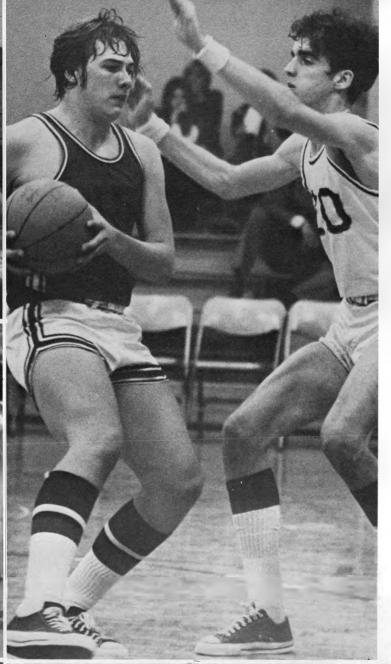

Leading the Wildcats in scoring was All-District guard Timmy Starnes who had his best game against Adams County scoring a total of 31 points. Handling things underneath this year were senior Bob Carpenter, a three year letterman, and junior Charlie Donald. Working the ball around and the quarterback of the team was point man Chip Porter, who lead the Wildcats in the tourney with great poise. Senior guard, Billy Anderson ended his final season with a lot to look back on as he sparked the Wildcats for three seasons. The outlook for next season is a good one. Three starters will return. They will be backed up by four men who saw a lot of action this year. Johnny Baker will add needed muscle on the boards and Chipper Prehn, John Kaiser, and Joe Drake will be able to play at guard or forward. This years "B" team will help form the nucleus of a good sound team.

GIRLS BASKETBALL

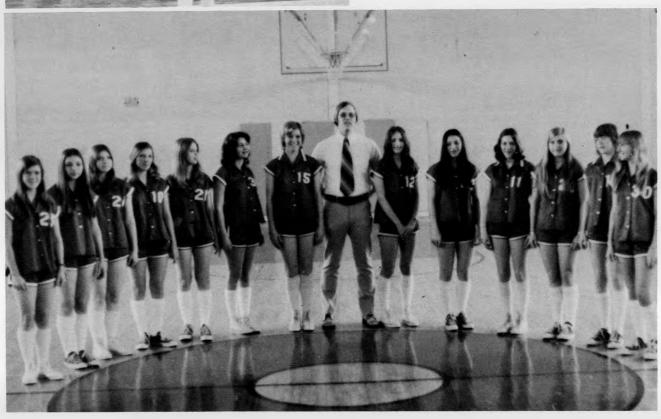

As Girls' Basketball Coach, I would like to thank all the members of the team for their great effort and desire to play the game. It was a "building year". The record doesn't show the energy and the long hours of practice that was put into the games. We had to rely on a very young team that lacked experience and depth.

The bright spot of the season was the selection of Patty Almond to the All-District team. Another optimistic sign was the graduation of only one team member. With the talent and experience gained this year, the record for the coming year should be better.

B TEAM

The B Team finished the season with a 6-5 record. Four of these losses were

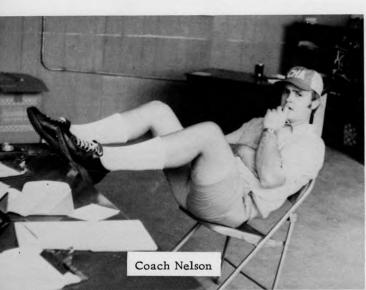

by 5 points or less.

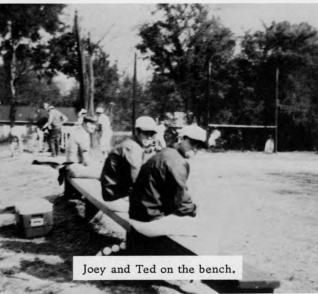

The play of the B Team this season increased the hopes for optimisim on next years Varsity. Ralph Moon developed over the year into an aggressive rebounder and shooter. His play in the final game against ACCS helped C.H.A. win a season-ending-thriller 35-34. John Tull and Arthur Cooper will add depth to the team next year. Melvin Headley, Mike Phillips, Flip Campbell, Joe Keller and Steve Purvis all saw action this year and will battle each other for varsity positions.

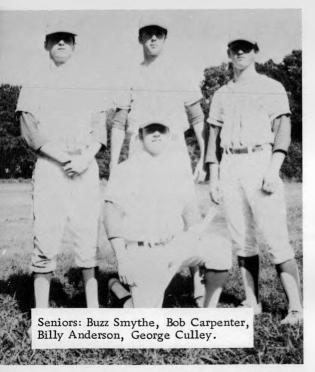

1973 WILDCAT HIGHLIGHTS

CHA-7, Centerville-3 at Centerville, Miss. Again the Wildcats were carried to victory with a strong showing from Carpenter. He got 13 strikeouts during the contest while giving up only 5 hits.

CHA-4, Centerville-3 at CHA. Senior right-hander, Billy Anderson, of Inverness led the Wildcats in the extra inning contest with a strong showing. Anderson gave up 6 hits while striking out 10 Tigers. Baker again supplied the power with an extra inning home run to win the contest.

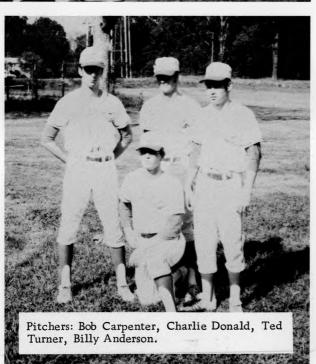

CHA-5, Hanging Moss of Jackson-3 at CHA. The Wildcats ended the '73 season with a very impressive win over a tough group from Jackson. Anderson pitched a fine game giving up only 6 hits and finishing with 7 strikeouts. Seniors Carpenter, Turner, and Anderson led the Wildcats at the plate with 2 hits each.

TRACK 1973

The 1973 track season was hampered by foul weather. C. H. A. only competed in three regular season meets and two state meets. The Wildcats finished 1st in a duel meet with Union Academy. In this meet many boys excelled. The C. H. A. Relay teams consisting of Chipper Prehn, Joe Drake, Darrel Purvis, and Charlie Davin made steady improvement despite the bad weather. The field men made considerable improvement as the season went along. The field men were John Baker in the discus, Earl Burris and Mert Binns in the shot, Darryl Marsh in the pole vault, and Chip Porter in the high jump.

In the South Miss. Meet in Jackson, Charlie Davin won the 440 dash which qualified him for the state meet. In the state meet, a week later, Charlie fin-

ished fourth.

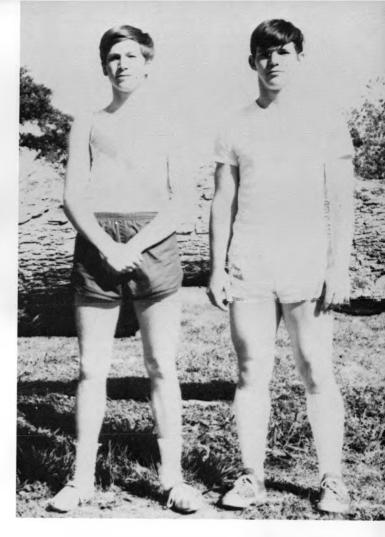

John Baker finished 3rd in the South meet, and this qualified him for the state meet. In the state meet John finished 3rd again.

The 1973 Junior High Track Team was undefeated.

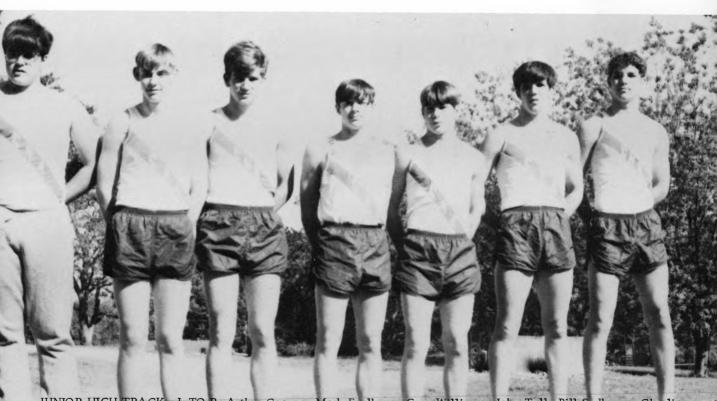

Members of this squad were:

John Tull Ralph Moon Randy Smith Arthur Cooper Sput Harvey Greg Williams George Donald Charles Secoy

TENNIS

This year the tennis team worked hard but had fun. We got off to a slow start but as the season progressed, we improved rapidly. By the end of the season, we were ready for the State Tournament. Timmy Starnes and David Shepard--first doubles, Gail Langley and Cindy Starnes--second doubles, and Ruthie Drake-first singles--progressed to the semi-finals. With excellence our team placed sixth in the state. We all thank Mr. Matthews for helping to make this year such a successful one.

We are all set for many practice sessions this summer to prepare for a winning season of '74.

The Beta Club sponsors a beauty pageant, Beautiful Bobby Evans was our queen!

BETA CLUB

The Beta Club is sponsored by James Shilato. Steve Dobbs acted as president, Vernon Guthrie as vice-president, Ruthie Drake as secretary, and Sally Hatcher as treasurer. The group consists of eight seniors, nine juniors, thirteen sophomores, and three freshmen. To be a member of the Beta Club you have to have an overall average of 92 or better and can have no C's.

At the beginning of the second semester the Beta Club initiated nine new members. They were: Arthur Cooper, Norma Bearden, Maggie Fife, Timmy Starnes, John Nichols, Beth Daniels, Ann Lee, Millie Goodwin, and Sarah Guthrie.

THE SOUND-OFF staff has worked very hard this year, and shall continue in their effort, even after you have gone home. There is no fan club, or cheering section for this loyal group that gives of their time and talents that this, your year at Chamberlain-Hunt Academy may be forever captured in pictures and the printed word.

Their Goal is to cover the events of the school day, and the school year, and all the activities as they happen. The staff started out with fourteen members. Eleven have been faithful workers, collecting materials, writing copy, typing, composing captions, doing creative artwork, selling ads, laying out pages. All of this is no small job, and the whole staff are to be complimented on a real team effort. The six juniors have gained much experience this year. We shall miss the graduating seniors of our staff. We wish them much success in their college experiences. May your SOUND-OFF bring you many happy memories of the school year 1972-1973.

CHA CHORUS

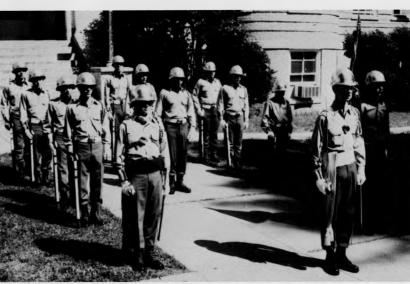

CHORUS

In October the chorus gave a concert for Parents' Day. Their first trip was an overnight trip to Greenwood where they were entertained by the ladies of the church. Their trip to Jackson began their Christmas tour, in which they presented a lovely night service. The next two Christmas programs were presented at the Presbyterian Church in Port Gibson, where they sang special numbers for a morning service and a night service. In February the chorus traveled to Magnolia. In April they went to Pine Ridge in Natchez. They were served a dinner-on-the-ground after the services followed by popular music from the chorus and the stage band.

JUNIOR-SENIOR PROM 1973

As the school term drew to a close, the Junior Class honored the Senior Class with its traditional Prom on the night of Friday, May 4.

The theme of the dance was "The Carnival Ball," and the Juniors worked tirelessly and artistically to create an evening of carnival gaiety. The multicolored tent and the animals around the gym added to the effect. For a change, prizwere given out from each teacher. Vernon Futhrie was the winner of the grand prize—a day out of school. The refreshments were carnival like: lemonade, popcorn, and peanuts.

The entertainment was brought to us by "Wicked Fate" from Baton Rouge. The Seniors

nd their dates were honored with their own lance at the opening of the "Ball."

After the dance everyone changed from their ress blues and formals into something more comfortable before going to the drive-in. As The New Centurions" was playing, many coules enjoyed visiting and partying with friends.

A breakfast was given by parents of Juniors at Mosswood Country Club. After a long night of nuch activity, everyone was ready for good

ggs, bacon, and biscuits.

After leaving breakfast, many friends gathred at various places around the county to relive

he night as the day ended and a new one was

eginning.

There Will Always Be Someone Taking Your Measure.

Some measures are taken with a tape but the most important measures of life are taken by the people who size up, whether it be a sweetheart, a classmate, or a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or not, scrutinizing the dimensions not only of our physiques but of our minds, abilities and characters.

Your training at Chamberlain-Hunt Academy has been designed to improve

Your training at Chamberlain-Hunt Academy has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet four-square to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

We measure Cadets for uniforms. Our customers measure us in their appraisal of our ability to execute a uniform contract satisfactorily. It will be a neverending effort on our part to keep our measurements good in the eyes of Chamberlain-Hunt Academy.

We salute the Graduation Class and wish you all Godspeed in your chosen field of endeavor.
