GENERAL WILLIAM E. KLEIN graduated from this Academy in 1949 and then attended one year at the University of Alabama before receiving an appointment to the United States Military Academy. He graduated from West Point in 1954 and served more than 25 years of active service in the Army. He was then promoted to Major General and made Vice Director for Plans and Policy Organization on the Joint Chiefs of Staff. General Klein commented of the Academy "It was not only the academics, but the school's focus on all aspects of a youngster's development — moral, physical and spiritual — that was so important."
