A large, ornate, black calligraphic flourish that spans across two horizontal lines. The flourish consists of several sweeping, curved strokes that rise above the top line and fall below the bottom line, creating a sense of movement and elegance.

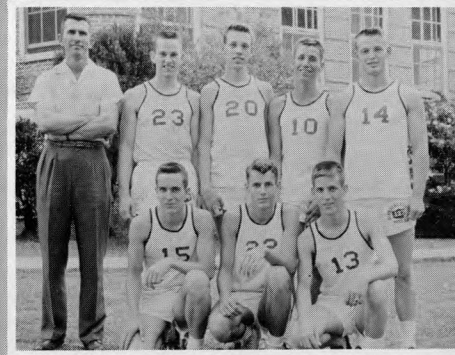

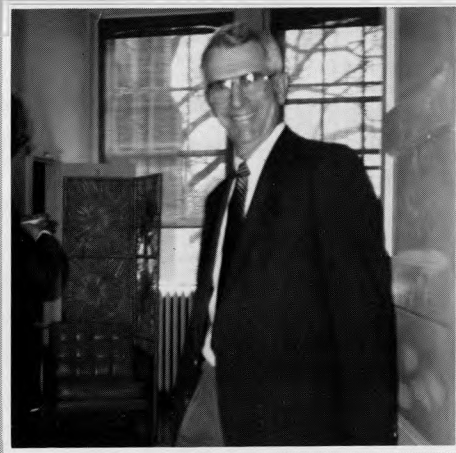

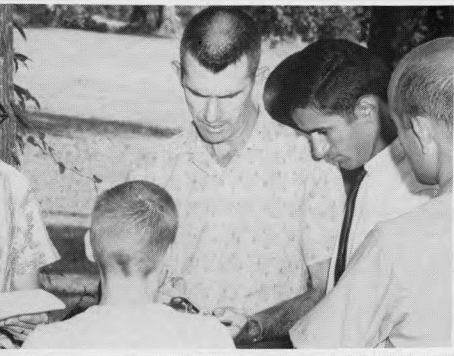

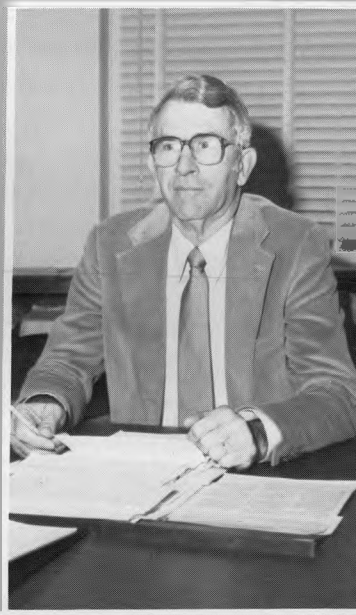

INETEEN INETY

FACULTY

LONG TIME PRINCIPAL AND HEADMASTER RETIRES

Charles L. Taylor, long time principal and headmaster at Chamberlain-Hunt, retired in November. After thirty-three years of teaching, coaching, and administration at Chamberlain-Hunt, Mr. Taylor actively returned to raising cattle and soybeans on his property in district 3 of Claiborne County.

The retired Headmaster came to Chamberlain-Hunt as a physical education director in 1956. His most notable contribution were his guidance as principal for a number of years during which he built a strong curriculum that has placed Chamberlain-Hunt near the top in excellence in the state. Mr. Taylor was also widely successful as a track coach in the 1960's. Under his leadership the CHA track teams set many records in track and field that still stand today.
