CHA's Funniest Moments

Russ and commandant Russell were on a business trip. Commandant caught Russ in another girl's bathtub in his underwear at the hotel where they were staying.

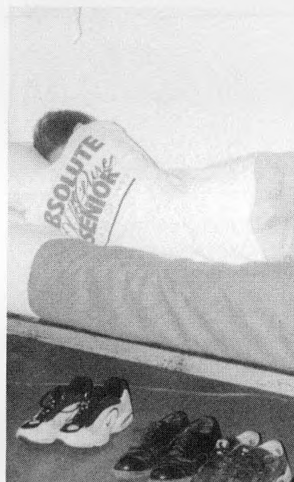

----- was dancing at Military Ball one year, when the top of her dress fell to her waist.

Matt Daughdrill busted his own car window when he tried to throw a rock at Phoebe.

One cloudy day, the flags were taken off the poles and replaced by Matt Addison.

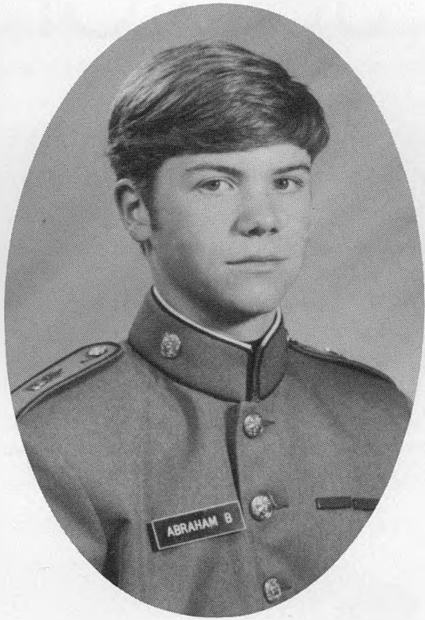

Kay Humphries was doing her very first interview and telling how the students were not allowed in the dorms during the school day. When she walked into Gage, Tim South was in his bed sleeping.

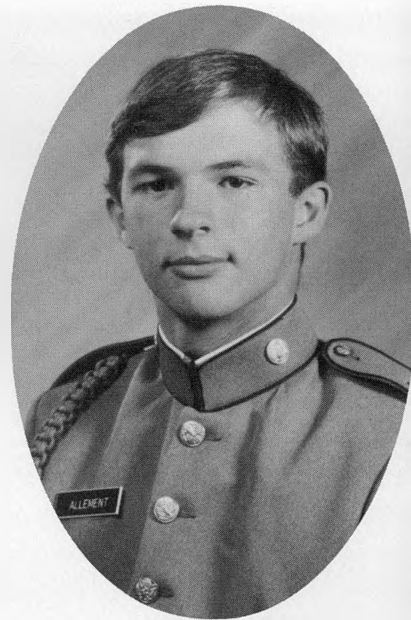

A potential student and his parents came to visit the school. The student and his mother were dressed very nice, however the father was in his work uniform. Mrs. Cathy walked up to him, shook his hand, and thanked him for filling the coke machine.
