John Peter Aschmann

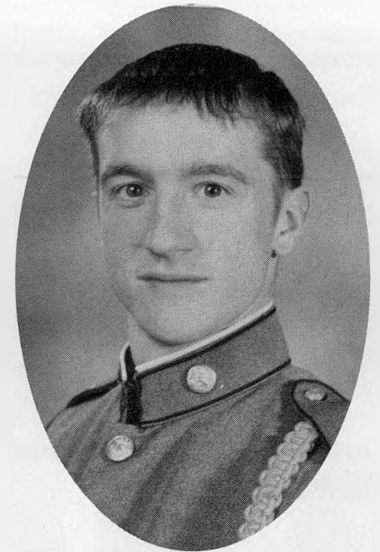

John is the son of Rick and the late Heidi Marie Aschmann, missionaries in Ecuador with the Presbyterian Church in America. Growing up with missionary parents has given John an international background; he lived in Columbia and Ecuador before coming to Chamberlain-Hunt Academy for his junior and senior years. While at Chamberlain-Hunt Academy, John has participated in soccer, track, and choir. He has accumulated many outstanding awards and has participated in the Mississippi Lions Club Boys Leadership Conference, the Mississippi Math and Science Competition, and Quiz Bowl. John is a National Merit Scholar Semifinalist, and he was nominated to the military academies by Senator Trent Lott.

John will be attending Belhaven College on a full scholarship. John is very aware of God's hand on his life and is thankful for how God has taken care of him and provided for and always been with him.

Matthew Drake Burrell
2001 Valedictorian

Matthew is the son of Allen Burrell and the late Rose Burrell of Port Gibson, MS. Matthew has grown up in Port Gibson and has attended Chamberlain-Hunt Academy for six years. A versatile athlete, Matthew has played football, basketball, tennis, golf, and track. Matthew attended the National Youth Leadership Council, the Mississippi College Math and Science Competition, and the Academic Betterment Competition. He was among thirty-two students selected nationwide to receive the Douglas MacArthur Award this year, an award given to a military school student who exemplifies the "duty, honor, country" ideal set by MacArthur. Matthew plans to attend Mississippi State University and to study banking and finance. He then plans to attend Ole Miss to earn a degree in law. He feels that being at Chamberlain-Hunt Academy has helped him learn to study, to do his work on time, and to live a Christian life.

Michael Conn

Michael is the son of Mr. E. Dixon Conn, III and Dr. Candace Conn of Beaumont, TX. Michael has attended Chamberlain-Hunt Academy for two years, participating in track, soccer, karate, and choir. He has proven to be a leader among the cadets and is someone who can be trusted with responsibility and leadership. He has earned a high rank among the cadets and has been a great help to many of the younger boys. He plans to attend Lamar University in Beaumont, TX and to study in the field of biology. Michael is thankful to have experienced the structured environment of CHA. It has helped him develop self-discipline and self-control. Michael was awarded the microbiology award, and he received the Tom Bowen Bible Award in the 11th grade. He chose Proverbs 15:1 as his favorite Bible verse: "A soft answer turns away wrath, but grievous words stir up anger." He has practiced this at CHA, and it has earned him a good testimony.

Avril J'Lisa Doucette

Avril is the daughter of Dr. Albert Doucette of Baton Rouge, LA and Ollie Doucette, also of Baton Rouge. Avril has attended CHA for three years and has endeared herself to everyone on campus with her friendly smile and ready "Hello." She has been a spirited, determined player for the girls' basketball team for two years, and is a welcome addition to the choir, taking solo parts when asked. Avril has kept up her participation in Girl Scouts, achieving the Girl Scout Gold Award in the 11th grade. She plans to attend Baton Rouge Community College to study psychology and to become a counselor. Avril is also a good babysitter and has a strong interest in helping people. After three years of looking at the banner over the CHA stage during chapel, she says she is trying to keep Proverbs 3:6 fixed in her mind each day and to let it guide her through her daily life. "In all thy ways acknowledge Him, and He shall direct thy paths."

Jennifer Leigh Emerson

Jennifer is the daughter of Mr. and Mrs. Carl Emerson of Port Gibson, MS. She has lived in Port Gibson all her life. Jennifer has made many close friends during her years at CHA and is well liked in return. She was elected by the student body onto the Homecoming Court her senior year. Jennifer also enjoys being outdoors - riding a four-wheeler with friends, going camping, or just hanging out at the park. She has served with a group responsible for keeping clean a section of highway as a community service project. She attends a local Baptist church. She will be attending Hinds Community College in Raymond, MS to get her basic courses while she decides on a specific area of study. Jennifer was on the honor roll at CHA, and she has a determined and capable spirit. CHA has helped her learn responsibility and self-discipline and has instilled in her a respect for authority.

Phillip Wayne Johnson

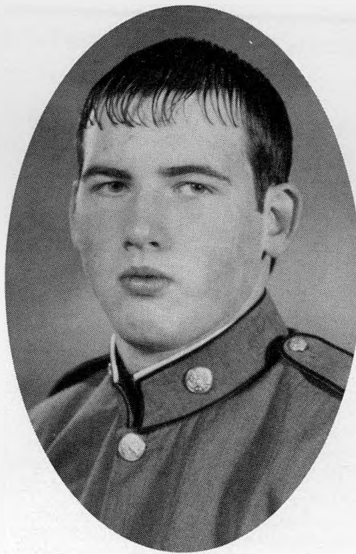

Phillip is the son of Mr. and Mrs. Douglas Wayne Johnson of Natchez, MS. Phillip came to CHA in the 8th grade and immediately found his niche on campus. He settled into living away from home and began learning the game of football. Phillip has played football and participated in track each year. He made All-District Offensive Lineman both his junior and senior year. He has been academically diligent as well, competing in the Academic Betterment Competition and the Mississippi College Math and Science Competition for two years. Phillip plans to play football at Millsaps College in Jackson, MS and to study for a degree in software engineering. He hopes to go on for a graduate degree in module design at a school in Arizona. His dream job would be to work at Disney World. Phillip says he began to learn self-discipline in the 8th grade at CHA and has continued to learn perseverance and respect for authority.

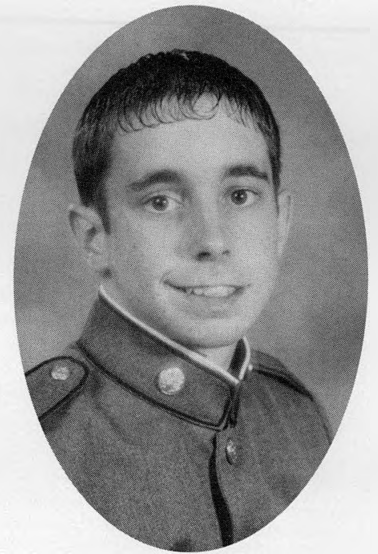

Antonio Valdez Smith

Antonio is the son of Sharon Smith and James Jackson and is from Fayette, MS. He has attended CHA for one year. Playing basketball is Antonio's favorite thing to do, and he does it well. His talent and skill in this area have earned him many awards, such as All-District Tournament, All South State Tournament, and All-State-2nd Alderman. Before coming to CHA, he played on the Jackson Panther's AAU Basketball Team, a state championship team. He also participated in track. His plans are to attend Alcorn State University in Fayette, MS and to play basketball there as preparation for his dream job of playing in the NBA. Antonio says CHA has helped him grow in self-discipline and responsibility. He feels the opportunity of attending CHA has brightened his prospects for a good future. He appreciates the academic education and the broader sports education he has received here. The Christian environment has taught him a lot about God and how to live for Him and to worship Him.

Justin "Bubba" Smith

Justin is the son of Kathy Smith of Port Gibson, MS, and he has attended CHA for six years. He is an outdoor sportsman who would rather be hunting and fishing than sitting in a classroom. He has really enjoyed playing football while at Chamberlain-Hunt Academy and has learned a great deal about playing his position as lineman. He received All-Area and All-District awards for his outstanding efforts. Justin plans to attend Hinds Community College in Raymond, MS to study automechanics and welding. He already spends a lot of his spare time working and practicing in these areas, and he wants to learn more, in order to make this his life's work. Around campus, Justin is affectionately known as "Bubba." If the name makes you think of a good-natured, southern guy in overalls driving his truck in the woods with a big deer in the back-that's him! Bubba is well-loved by students and faculty alike. He says that the principles he has learned at CHA will help him throughout his life.

Marcus Todd Tobola

Marcus is the son of Mr. and Mrs. John Pickering of Brandon, MS. He has attended CHA for three years. Marcus appears to be a quiet young man, but when he gets to know the people around him, he opens up and reveals his fun-loving personality. He has played basketball and tennis each of his three years here at CHA. He played on the football team for one year. Marcus performed in the senior play his senior year and made the honor roll. His plans after graduation are to attend Northeast Junior College in Booneville, MS to study for a degree in nursing. He has noticed the demand for male nurses and sees this area of service as a way for him to find a good job wherever he settles. He has a strong sense of urgency about being able to support himself in the years to come and realizes the need for a college degree in a practical field. Marcus appreciates the spiritual education he has received at CHA.

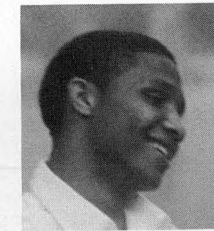

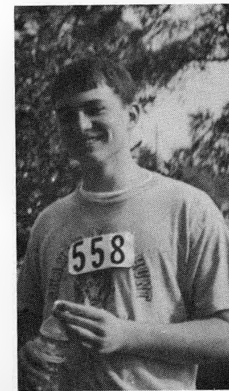

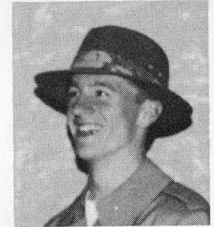

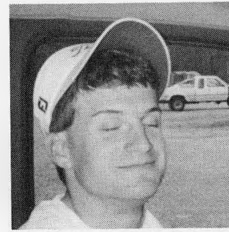

Lindsey Claire Willis
2001 Salutatorian

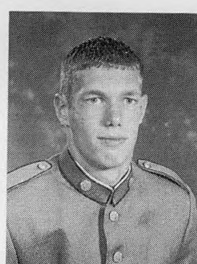

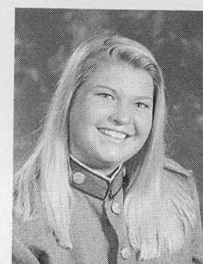

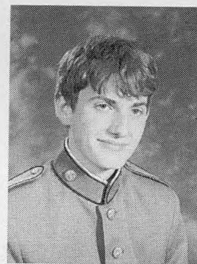

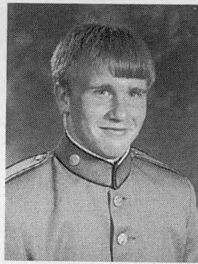

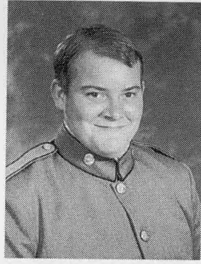

Claire is the daughter of Mr. and Mrs. Raymond Willis of Port Gibson, MS, where she has lived since she was two years old. She has attended CHA for six years. Claire has been actively involved in cheerleading, tennis, and basketball for the past four years. She was named Homecoming Queen her senior year. Along with awards in English and Geometry, Claire received the American Legion Citizenship Award her junior year and was elected an All-Star Cheerleader her senior year. Claire has competed in the Academic Betterment Competition for four years. Claire hopes to attend Mississippi State University and to become a nurse. She feels that CHA has given her a good preparation for college and for life and that she has become a better person for having gone through school here.

Carolyn Denise Windham
Carolyn is the daughter of Mr. and Mrs. Robert Windham of Port Gibson, MS, both graduates of CHA. She has lived in Port Gibson all her life and has attended CHA all six years. Carolyn has played tennis for two years, basketball for three years, and sang in the choir her senior year. She was a cheerleader for four years, and was elected to the Homecoming Court both her junior and senior years. Carolyn's plans are to attend Copiah Lincoln Community College and to get her basic courses while deciding on a specific area of study. She has been interested in graphic design, but she has also thought about being a court reporter or getting a degree in a computer-related field. Carolyn chose Hebrews 10:35-36, as her favorite Bible verse: "So, do not throw away your confidence; it will be richly rewarded. You need to persevere so that when you have done the will of God, you will receive what He has promised."
