# All-Star Weekend

RYAN GOODWIN – NORTH PALM BEACH, FL

As our soccer season came to an end, I had the chance to finish up my high school soccer career with one last game. I got to play in the MAIS 2014 All-Star Soccer game, which took place on Thursday, March 6 at Jackson Academy. The North and South divisions each put a team together to play against each other in the fight for the All-Star title. I was playing for the North division, and I had some pretty good players as teammates. The game felt like a heated rivalry from the very beginning. By the end of the ninety minutes, the score was all tied at 2-2. The referee skipped overtime and took the game straight to penalty kicks, where the North Team ended up winning with three goals to one for the final score. I had a great experience playing forward, and I assisted our first goal in the second half of the game. I have enjoyed playing for the CHA soccer team for the last four years and this was a great end for my last game in high school. I have the best wishes for every player on our team next season. I can only hope that they will fight all the way to win the championship next year! 🍀

## Choir Performance

JERMAINE WEIR – NEW ROCHELLE, NY

This Sunday the CHA Choir sang at Stepping Stone Baptist Church in Port Gibson, and we surprised ourselves with how well we sang. Everyone was a little bit worried because we had only had one practice that day before it came time to actually sing in front of people. Our choir director is Dillon Young, and the choir consists of the following: Alex Chesser, Eddie Forman, Richard Gunnells, Jacob Leith, Fernando Soto, Arri Williams, Reid Wilson, William Wooten, Anthony Valdez, and me. Rich Gunnells' sister also helped us when she and Rich played a few duets on the violin. They were awesome and they will go very far in their careers if that is what they want to do. The CHA Choir will keep practicing and we hope to get better and better every time we perform. 🍀

## A Letter From the Editor

SHREVE GUTHRIE, IV – PORT GIBSON, MS

This week is our third of four quarter exam weeks. Luckily, I only have three exams, so I get more time to work on the newspaper. We are entering the home stretch now, with only ten more weeks until graduation day. I learned again that this paper is a team effort, and people like Matthew Cormaci have really stepped up

to the plate to help out.

As soon as we get the final tennis, golf, and track schedules, I will get them out to you in the *Bulletin*. Trust me, I want to know my tennis schedule as much or more than all of you. The schedules will be out as soon as possible. 🍀
