# Blood Drive

KEITH PUTNAM – MEMPHIS, TN

This year, Chamberlain Hunt Academy hosted a blood drive. A group of students who were of age or had a parents' consent and were willing to give blood signed up and donated on March 27. If you have given blood before,

you know that it is an experience that you will always remember because you know that you are helping other people who need blood. The whole blood donation takes about thirty minutes after they go through a series of questions with you to make sure that you have not had any diseases that could be spread. Many people say that the worst part about giving blood is to when they stick the needle inside of you, but in my eyes, this is one of the easiest parts. I have given blood before, and I like helping people out in the best way that I can. This is a good experience, and I think you should try it. 🐼

## Choir Performance, Part II

JERMAINE WEIR – NEW ROCHELLE, NY

This past Sunday, Chamberlain-Hunt Academy was the mission program for the congregation of Westminster Presbyterian Church in Natchez, Mississippi. The entire service was conducted by the CHA Choir, led by Dillon Young, and our president, Mr. Keith Fraley. The offering was taken up by four of the choir members as a violin duet was performed by Richard Gunnells and his sister. The choir sang two songs with student Eddie Forman accompanying on piano. We also sang "All in All" a cappella. At the end of the service the choir performed another three songs and closed the service with "Three Fold Amen." Following the service, fellowship and a great home cooked meal was provided by the ladies of Westminster church, and we certainly appreciated the warm welcome. 🐼

## A Letter From the Editor

SHREVE GUTHRIE, IV – PORT GIBSON, MS

Last Wednesday, The Tennis Team went down to Natchez and played ACCS. We pulled out a gritty 3-1 win over a very good, possibly state bound, team. Ryan Goodwin and William Wooten got down early, but battled back to win a three set match at #1 Doubles. Anthony Valdez was the only player that won his match in two sets. We get another chance to play them today at 2:30. Come support us if you have some free time this afternoon!

Since the *Bulletin* has senior profiles taking up the full front page, and in the interests of fitting more articles in while keeping the word find, there normally will not be a Letter from the Editor in the coming weeks. (There might be if I have to fill up space.) 🐼
