What hopes do you have for the class of 2015? That they keep pushing on through the hard times, graduate, and have a successful life!

We apologize for the delay in delivering the *Bulletin*. Internet on campus has been down.

Easter Weekend on Campus

EDDIE FORMAN – BERKLEY HEIGHTS, NJ

This year, CHA had an open weekend Easter vacation. Students were able to leave school after lunch on Thursday and return on Monday. All but six students left to be with their families and friends. Many who live farther away were able to, with their parent’s permission, leave school with their friends. For those six of us who stayed, the weekend was very enjoyable. On that Thursday afternoon, we just hung around campus, where a few watched television while others went to the weight room. On Friday, we went on a historic tour of Port Gibson and the Natchez Trace area. Saturday we went to Pearl to play mini-golf, watch a movie, and eat dinner. On Sunday, we had the pleasure of going to Mrs. Linda Sue Stuart’s home. While there, we ate a terrific lunch, fished, and played some sports. Although not an avid fisherman, I myself caught four fish! On Monday, all the other students trickled back in a few at a time, and on Tuesday, it was business as usual. I hope all readers and their families had a great Easter! God Bless! 🍷

Letter from the Editor

SHREVE GUTHRIE, IV – PORT GIBSON, MS

We are in the homestretch of the school year; there are only seventeen days left until graduation. All the seniors are finishing up their senior papers, and now we are working on our speeches, oral comps, and final exams. For everyone else, there are finals and graduation practice to worry about.

Last week, the tennis team took second place in the South State Tournament in Natchez, with the #1 Doubles (Ryan Goodwin and William Wooten) and #2 Singles (Anthony Valdez) teams winning their respective brackets. Yesterday, those two teams competed in the State Tournament in Jackson. The rest of the tennis team got to go and cheer on our teammates! Unfortunately, neither of the teams won state in their brackets, but Anthony Valdez made it to the finals.

The student body and I would like to thank the group of people that gave us candy bags before every break to take home. We really appreciate the time and effort you all put into this. Thank you for thinking about us!
