## LTC David Granville

### Commandant for Chamberlain-Hunt Academy

LTC David Granville began his journey at Chamberlain-Hunt in 2003 as a science teacher. Soon after he became the Athletic Director. Then, in 2006, he became Commandant. Currently, he not only serves as Commandant, but coaches the varsity basketball team.

LTC Granville earned his Bachelor of Science in Health and Physical Education at the University of Delaware. He currently is pursuing a Master's in Education Administration from the University of Cincinnati and expects to complete his degree by July of this year.

Before coming to Chamberlain-Hunt, LTC Granville spent 2 years coaching college basketball for Hilbert College in New York, and was executive director for the YMCA for 18 years in five different states.

Among his many interesting accomplishments is his children's book, *Frankenwolf*, published two years ago. Frankenwolf is a figurative character with the body of Frankenstein, the mind-set of a wolf and the feet of a duck. LTC Granville's love for children can also be found in his direction of the Children's Time on Sunday mornings at First Presbyterian Church in Port Gibson. His article in 2006-07 *Planck's Issue*, "Strategies for Connecting," provides a relational perspective on education as it highlights the importance of interpersonal relationships and relationships between what is already known and what is to be learned.

LTC Granville is most proud of being the first teacher at Chamberlain-Hunt to complete the Crusader challenge and was honored by the Cadet Corps, having been chosen two years in a row as Cadre of the Year.

LTC Granville resides in Port Gibson with his wife, Su. He has one son attending and playing football for Millsaps College. He has four other grown children, Stephen, Ryan and twin girls, Vanessa and Claire.
