Yu, P. (Beijing)

This Week's Scripture & Catechism

1 John 3:1

See what kind of love the Father has given to us, that we should be called children of God; and so we are.

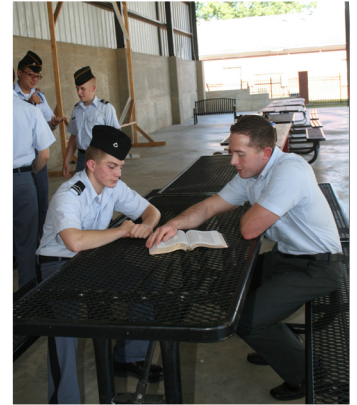

WSC 34 What is adoption?

A. Adoption is an act of God's free grace, whereby we are received into the number, and have a right to all the privileges of the sons of God.

New Instructor, MAJ Price

We are excited to have a new addition to our teaching cadre this year, MAJ Harper Price. MAJ Price was born in West Palm Beach, Florida but has lived in eight different states due to his father's job in television. He teaches senior high Bible.

MAJ Price earned his Bachelor of Science in History from Ball State University and continued his education by getting an M.Div. at Reformed Theological Seminary in Charlotte, NC. Feeling ministerial call to Chamberlain-Hunt, MAJ Price is under

care of the 1st Presbytery, Associate Reformed Presbyterian Church with the goal of ordination and pulpit ministry.

No stranger to the military life, MAJ Price was granted honorable discharge after six years in the United States Marine Corps as a Field Radio Operator. He served for one year in Iraq.

In addition to teaching, MAJ Price enjoys reading, working out and spending time with family. He has had the opportunity to travel around the world. He has been to Central America, Europe, Asia and the Middle East.

At the Theater

Eureka!

Tuesday, November 2nd, the Cadets and a few cadre went to Thalia Mara Hall in Jackson, MS, to see the comical math play Eureka! The play gave Cadets a new insight on learning math and had them rolling in their seats.

Turnabout

The Cadets saw the play Turnabout on November, 6th at the Blue Barn Theater in Port Gibson. This biblical play told the story of Esther. It included performers from Chamberlain-Hunt's cadre and Brashear Hall students.

Check Mate!

Cadet Hobbs, B. (TX), and Cadet McCord, W. (MS), are working on different tactics and moves to add to their chess skills. They are members of the chess club that meets after class on Tuesdays and Thursdays. The Cadets are taught the basics of chess and how to create their own strategies to win the game.
