Alumni Day	April 18
Phone Calls	May 17
Final Exams	May 18-21
Baccalaureate Service and Senior Speeches	May 21
Final Pass in Review	May 22

The Arrival of Spring

While the weather in Mississippi can be unpredictable at times, spring always brings about an excitement in the cadre and Cadets at Chamberlain-Hunt. Cadets enjoy being able to play outdoors in the mild climate and also revel in the thought that the school year is coming to a close. Shown here are photos of the excitement that abounds this time of year on our campus.

WEEKLY CATECHISM

1 John 5:14-15: And this is the confidence that we have toward him, that if we ask anything according to his will he hears us. And if we know that he hears us in whatever we ask, we know that we have the requests that we have asked of him.

What is prayer?

Prayer is an offering up of our desires unto God, for things agreeable to his will, in the name of Christ, with confession of our sins, and thankful acknowledgement of his mercies.

Cadet Profile: Derrick Daughtry

Derrick Ray Daughtry, from Orlando, Florida, has been a Cadet since his sophomore year. He is currently the Battalion Commander and formerly served as aide-de-camp to the principal, LTC Johnston.

The cadre and administration have recognized Crusader Daughtry's achievements with many awards including the Citizenship Award, Commendation Award, Survivor Award, Marksmanship Award, Principal's List, Honor Roll, Academic Achievement Award, and the CHA Achievement Award for Leadership. Crusader Daughtry has for two years played forward on the varsity basketball team, for which he has earned the Coach's Award and Athletic Achievement Award. He also earned a varsity letter in cross country and is a member of the elite group of Crusaders.

"I like how Chamberlain-Hunt keeps me focused and structured. I know what my priorities are. My classmates always give me great advice. They see things clearly when I don't. They bring out the best in me, and they will be my friends forever."

I like how Chamberlain-Hunt keeps me focused and structured. I know what my priorities are.

Next year, Crusader Daughtry plans to study meteorology at Embry Riddle University in Daytona Beach, Florida, on a US Army ROTC scholarship. After graduating from university, Crusader Daughtry says he will go wherever God leads, "but it would be nice if He takes some of my requests into consideration." Surely, God will.

Cadets Huddled in Prayer

The photo to the right is of Chamberlain-Hunt's soccer team engaged in prayer before a game. Cadets begin most all activities, including class periods, in prayer. This discipline teaches Cadets to depend on God and his strength in every aspect of their daily lives.
