MAJ Ali Chapel

High School Focus/ACT Preparation

New to Chamberlain-Hunt, MAJ Ali Chapel is a 24 year old native of Los Angeles, California.

MAJ Chapel served in the U.S. Air Force for three years as a security forces member. During his time in the USAF, he attended Los Angeles Mission College where he obtained an associates degree. Not long after leaving the Air Force, he attended California State University Northridge and received his B.S. in Business Administration. While in school he also played 2 years of NCAA basketball.

After college, MAJ Chapel moved to Virginia and taught Special Education to middle and high school students in Newport News.

"I thought I was set in life teaching in Virginia, but God had a more divine plan for me teaching at Chamberlain-Hunt Academy."

MAJ Chapel says he is so grateful to have the opportunity to lead the High School Focus and ACT Preparation programs through which he has the ability to help develop these young men academically, mentally and spiritually. MAJ Chapel says he also feels very blessed to be a part of the Chamberlain-Hunt team where he knows he can make a difference in the lives of so many young men and also to be able to grow in his own faith and life.

What is Focus?

Focus provides struggling learners with individualized instruction. This course includes computerized reading and math programs and twice-a-day individualized tutoring in addition to regular classes. Focus Cadets significantly increase reading and math skills and improve grades in their regular academic classes.

Young Business Leaders Clay Shoot

On Friday, August 31st, COL Blanton, Crusader Callahan, Cadet Rickels, Crusader Whittemore and Mr. Jeffrey Clark, national accounts manager for Astra-Zenaca, competed against thirteen other shooting teams at the Young Business Leaders Clay Shoot near Jackson. YBL's mission is to help young business leaders discover God's perspective on their life and roles as businessmen, friends, husbands, and fathers. Each year they host a clay shoot that consists of fourteen different stations ranging from quail flush to a wood dock flight to a squirrel run. The event was held at the beautiful Kearney Park in Flora and proved to be an enjoyable and worthwhile opportunity for the Cadets.
