Jeremiah 10:10 But the Lord is the true God; he is the living God and the everlasting King. At his wrath the earth quakes, and the nations cannot endure his indignation.

WSC5. Are there more Gods than one?

A. There is but one only, the living and true God.

Food for the Body, Mind and Spirit

The smell of fresh fried catfish filled the air, the spice from the warm onion rings tickled the nose, broccoli soup stood piping hot and waiting to be served, and banana pudding was a delight for the eyes as they told the tummy that it was in for a treat.

There was no special occasion, just a typical Friday lunch at Chamberlain-Hunt—thanks to our wonderful new chef, Gregory Bunch, who makes “from scratch” almost everything he creates.

Mr. Gregory came to us this summer after being approached by LTC Johnston who enticed him to join our staff. LTC Johnston was sitting with his wife at a local restaurant enjoying fresh tomato basil soup and benguits, a Louisiana delight, when he asked to speak with the chef. The rest is history.

A Vicksburg native, Gregory commutes to work each day from his hometown. He has 4 children: Gabrielle, 17, Gregory Jr., 16, Santa Fe, 12, and Kaitlyn, 9. He attended North East Technical in Chicago, Illinois, where he polished his culinary skills and is currently working to earn his executive chef's certificate.

Mr. Gregory says the thing he loves most about Chamberlain-Hunt is the people: Cadets, cadre and their families.
