Academic Success at Chamberlain-Hunt

Academic studies at Chamberlain-Hunt are, of course, an integral part of the day-to-day life of our Cadets. The rigors of regular academic studies also teach discipline, self-control, motivation and organization.

In addition to the ACT and SAT, many of our Cadets take the ASVAB (Armed Services Vocational Aptitude Battery) made up of verbal, math and technical tests to help them access future job or professional pathways.

Life lessons are taught to prepare Cadets for the outside world and adulthood. Most importantly, though, Cadets learn what it means to live in God's world. They are instilled with the values and morals that will prepare them for the challenges of school, college and life.

Scheduled Testing Dates:

ACT	October 25
ASVAB	September 23
ACT Explore Testing	September 23
PSAT	October 15
ACT with writing	December 13
SAT	January 24
