Chamberlain-Hunt hosted the Board of Directors on campus for two days this week. In addition to their business meeting, the board members socialized with the Cadets who shared their background stories and their thoughts about attending Chamberlain Hunt. The members had lunch with the Cadet leadership in the Eatatorium on Monday. They also enjoyed a cookout under the pavilion that night with the seniors. The Brashear Hall girls prepared and served refreshments to the board members at a reception on Tuesday. The board joined the entire Cadet corps in the dining hall for morning devotion and lunch.

### Field Trip to Alcorn State University

Junior and senior Cadets enjoyed a field trip to Alcorn State University on Friday, September 17th. The professors in the Department of Agriculture introduced the Cadets to the different degrees in the agriculture field. Cadets were encouraged to consider taking up a career in agricultural economics, agribusiness management, veterinary medicine, forestry, and even farming. Dr. Girish Panicker gave the Cadets a profoundly educational lecture on agricultural science and methods. He also led a fascinating tour of Alcorn's farm, which included a muscadine vineyard.
