## "Making friends

Parents' Day, an annual event in the Fall, was held on October 28, 1972. The day began with several faculty members serving coffee to our guests in the foyer of the Gym. Mr. Person arranged a tour of two of Port Gibson's antebellum homes, as well as the Presbyterian church. After the tour, guest were treated to a passin-review by the cadet corps. This was the first parade for the 1972-73 officers and cadets. Afterwards, lunch was served for the world to see

by Mrs. Jones in the campus dining hall. A spirited concert, given by the choir, marching band, and stage band immediately followed. Our guest were impressed by these performances under the direction of Mr. Beemon.

Later in the afternoon, parents and faculty discussed the achievements of the cadets thus far this year. A successful day was completed with a tea at the home of President and Mrs. McKenzie.

HOMECOM

Homecoming was held on Friday, October 6th, 1972. Those elected for our court by classes were maids: Ruthie Drake, Kay Guthrie, Cindy Starnes and Beth Daniels. Sally Hatcher reigned as queen, escorted by George Culley. The maids were escorted to the field by cadet corp officers: Ed Sullenberger, Timmy Starnes, Barry Couvillion, and Rocky Savage. The drill team gave a Queen Anne Salute as Sally was presentto the corps and visitors.

The football team played well and defeated the opponent, Amite Academy by a score of 21 to 7. A spectacular performance was presented at halftime of the game by Mr. Beemon, majorettes and the marching band. A street-dance was held on our back driveway and parking area. The newly formed Stage band played for this gala occasion. Because of the exciting events of the day, Homecoming 1972 will be happily remembered.

# **ST. JOHN CHAPTER 15**

I am the true vine, and my father is the husbandman. 2 Every branch in me that beareth not fruit he taketh away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit. 3 Now ye are clean through the word which I have

spoken unto you.
4 Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.
5 I am the vine, ye are the branches. He that abideth

in me, and I in him, the same bringeth forth much fruit; for without me ye can do nothing.
6 If a man abide not in me, he is cast forth as a branch, and is withered; and men gather them, and cast them into the fire, and they are burned.
7 If ye abide in me, and my words abide in you, ye shall ask what ye will, and it shall be done unto you.
8 Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples.

Rev. Jack Ross from Brookhaven Presbyterian Church our speaker for the week.

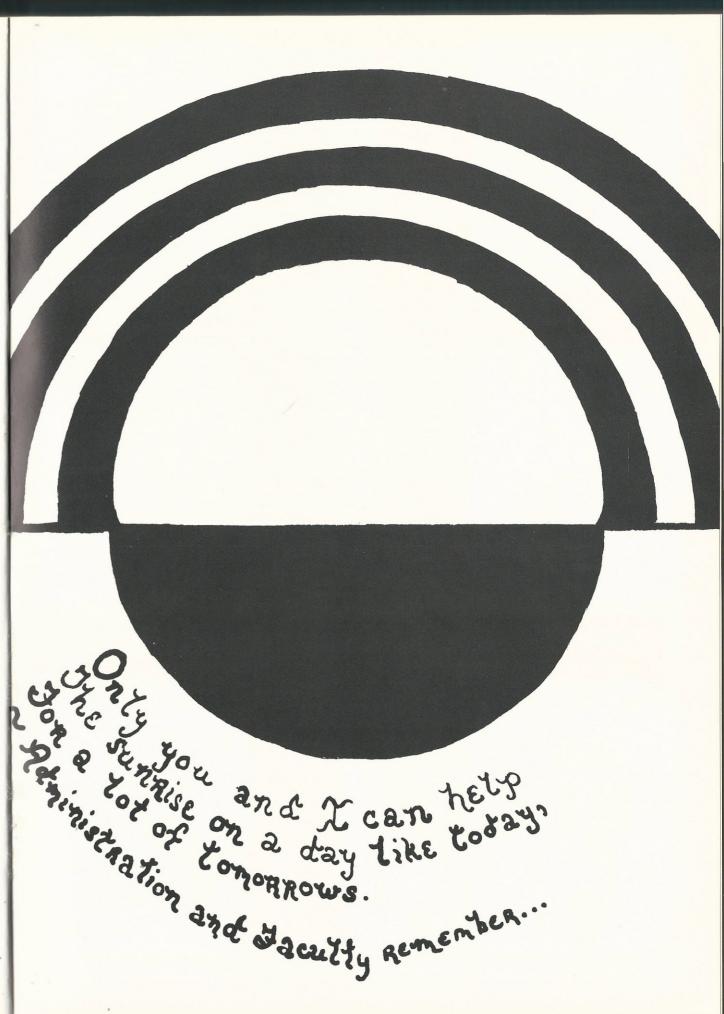

Mr. Beemon and C. H. A. Choir brought messages through music at each service.

# PHILOSOPHY AND PURPOSE

Chamberlain-Hunt believes that each student entrusted to its care has certain God-given talents which he has an obligation to use. If, through self-neglect, he is not using, training or developing these talents, the Academy will make every effort to motivate him to do so. Each student is a God-created individual and it is the concern of the staff that "he grow in wisdom and in stature, and in favor with God and man". In our permissive society of today too many of our

youth lack the discipline and drive to succeed in the art of living. The disciplined, Christian atmosphere on campus can mean that a student can grow, develop and mature into a disciplined, stable Christian adult rather than an untrained, undisciplined, individual who will become a parasite on society.

We feel that all youth have the right to the best the adult world has to offer, but they should realize their obligations to self and society for the privilege of having access to a formal education. The Church, home and school have their part in the education of youth. However, for those entrusted to the care of the Academy, it supplants the home in the influence on the cadet. We accept this responsibility as a sacred trust and are aware that only through the guidance of God can we realize the goal of being a vital, functioning arm of the Presbyterian Church.

Chamberlain-Hunt Academy is a college preparatory, military school located in the rolling hills of southwest Mississippi at Port Gibson. The Academy enjoys a heritage dating back to 1879 when Mississippi Presbyterians established a secondary school at Port Gibson to offer "a classical secondary education in a thoroughly Christian atmosphere". Chamberlain-Hunt is an outgrowth of Oakland College, which dates back to 1830. Dr. Jeremiah Chamberlain, a Presbyterian minister from Pennsylvania, came to the then largely unsettled and unorganized southwest to bring the mes-sage of the Church and to establish and educational institution to train teachers and ministers in this rapidly developing section. Oakland College, in the southwest corner of Claiborne County, close to the banks of the Mississippi River, opened its doors in 1830 under the administration of Dr. Chamberlain and proceeded to enrich the southwest with its many distinguished graduates.

Oakland was most fortunate to have as its Chairman of the Board of Trustees, Mr. David Hunt, a wealthy planter of the area and an ardent supporter of education. Through years of near continuous financial crisis, Oakland survived until the beginning of the great conflict between the States in 1861. The onset of the War saw the staff, faculty and student body alike enter the service of their country. A feeble effort was made immediately after the War to re-open the college, but without the driving leadership of Dr. Chamberlain and the financial acumen of Mr. Hunt, the doors were permanently closed in 1867. After the closing of the institution, the property was sold to the state of Mississippi for the purpose of establishing a negro college. The proceeds of this sale was used to satisfy the creditors of the college and the remainder of the funds were used to establish Chamberlain-Hunt in 1879.

### ACADEMIC PROGRAM

The curriculum at Chamberlain-Hunt is essentially college preparatory with sixteen units in the area of English, foreign language, science, mathematics, social studies or business education required for graduation, along with two years of Bible. Subjects offered include those courses required by the major colleges of the South. In-structors are carefully chosen for their professtructors are carefully chosen for their profes-sional qualifications and desire and ability to work with young people. The Academy is ac-credited by the Southern Association of Colleges and Schools, the Mississippi Accreditation Com-mission and the Mid-South Association of Independent Schools. Small classes, individual at-tention, supervised study halls, and a close check on the progress of each student characterize the academic program.

STAFF

The Academy administrative staff includes the President, Principal, Admissions Officer-Public Relations Director, Commandant, Assis-tant Commandant, Chaplain, Bookkeeper, Dieti-tian, Nurse and adequate clerical assistance. The teaching staff includes a full-time librarian, a developmental reading specialist, and twenty-two instructors. The staff numbers seven members with advanced degrees, and nearly all can boost graduate work. Staff represents an average of ten years experience as instructors or admin-istrators. The coaches of the various athletic teams are drawn from the faculty as are all the directors of extra-curricular activities. Nearly half of the staff live on campus and eat their meals in the Academy dining hall.

### FACILITIES

The Academy can accommodate two hundred and ten boarding students and one hundred and seventy-five day students. Thirty of the boarding cadets are housed in portable housing units. McComb Hall houses classrooms, administrative offices, the library, containing over 5000 volumns, and an eighty seat study hall. The Science Building houses all science classrooms and laboratories. This is the newest building on campus and boosts the most up-to-date teaching equipment available. Guthrie Hall houses three staff members and seventy-five cadets. This dormitory was one of the original buildings, built on the present site in 1901. Extensive renovation was done to this dormitory in 1958. Redus Hall, constructed in 1925, houses two staff members and thirty-six cadets. Gage Hall, erected in 1948, has quarters for three staff members and fifty-five cadets. Kennedy Gymnasium affords facilities for basketball, volleyball, gymnastics, ping-pong, and billiards. It also provides a recreation area with soda fountain, canteen and dressing rooms. The lobby of the gym serves as a visitation lounge for off-campus visitors. Jenkins Infirmary provides ample medical facilities for the Academy, including resident nurse's quarters, examination room, isolation rooms and general ward.

The campus proper contains approximately twenty acres, but the entire school property amounts to one hundred and sixty-seven acres. This acreage is woodland and contains one small lake.

The 1972 season of the Wildcats will be rem-embered for many years to come. We started out the season with a 46-0 loss to Indianola, but this didn't dampen the enthusiasm of the team. Through the supreme effort of the crowd, the determination of the squad, and the skillful guidance of the coaches the following week we beat Centerville, the predicted conference champ, in a game that will never be forgotten. We carried this spirit and determination throughout the rest of the season. Homecoming, October 6, was highlighted by a vic-tory over Amite in which our spirits were boosted by the new addition to Coach Hancock's family, Mary Katherine. The next few weeks we played some of our hardest games and calling upon the coordination of the defense and offense we obtained victories. We lost a heartbreaker to Besson the next week but The 1972 season of the Wildcats will be remlost a heartbreaker to Besson the next week but came back and ended our season on a high note with a 37-0 victory over Miss. Baptist. The team and coaches wish to share credit with the cheerleaders, band, cadets, parents, and all of the fans, for with-out them this season wouldn't have been the successful and well-remembered one that it was.

height this year, ended with a 7 win-16 loss record. The team finished the season in the district tournament after de-feating Wilkerson County and then losing to Beeson the top seeded team in the district. The Wildcats however, were well coached during the tournament. Leading the Wildcats in scoring was All-District guard Timmy Starnes who had his best game against Adams Coun-ty scoring a total of 31 points. Handling things underneath this year were senior Bob Carpenter, a three year letterman, and junior Charlie Donald. Working the ball around and the quarterback of the team was point man Chip Porter, who lead the Wildcats in the tourney with great poise. Senior guard, Billy Anderson ended his final season with a lot to look back on as he sparked the Wildcats for three seasons. The outlook for next season is a good one. Three starters will return. They will be backed up by four men who saw a lot of action this year. Johnny Baker will add needed mus-cle on the boards and Chipper Prehm, John Kaiser, and Joe Drake will be able to play at guard or forward. This years "B" team will help form the nucleus of a good sound team.

### **GIRLS BASKETBALL**

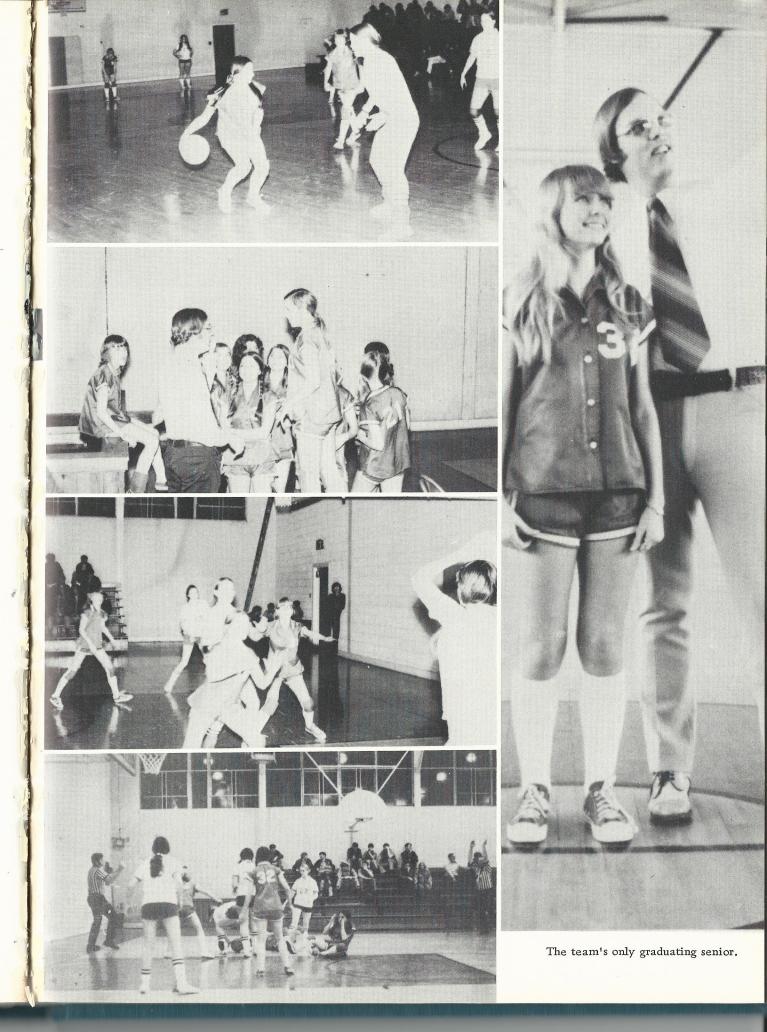

As Girls' Basketball Coach, I would like to thank all the members of the team for their great effort and desire to play the game. It was a "building year". The record doesn't show the energy and the long hours of practice that was put into the games. We had to rely on a very young team that lacked experience and depth. The bright spot of the season was the selec-tion of Patty Almond to the All-District team. Another optimistic sign was the graduation of only one team member. With the talent and ex-perience gained this year, the record for the coming year should be better.

### B TEAM

The B Team finished the season with a 6-5 record. Four of these losses were by 5 points or less. The play of the B Team this season increased the hopes for optimisim on next years Varsity. Ralph Moon devel-oped over the year into an aggressive rebounder and shooter. His play in the final game against ACCS helped C.H.A. win a season-ending-thriller 35-34. John Tull and Arthur Cooper will add depth to the team next year. Melvin Headley, Mike Phillips, Flip Campbell, Joe Keller and Steve Purvis all saw ac-tion this year and will battle each other for varsity positions.

### TRACK 1973

The 1973 track season was hampered by foul weather. C.H.A. only competed in three regular sea-son meets and two state meets. The Wildcats finished 1st in a duel meet with Union Academy. In this meet many boys excelled. The C.H.A. Relay teams con-sisting of Chipper Prehn, Joe Drake, Darrel Purvis, and Charlie Davin made steady improvement despite the bad weather. The field men made considerable improvement as the season went along. The field men were John Baker in the discus, Earl Burris and Mert Binns in the shot, Darryl Marsh in the pole vault, and Chip Porter in the high jump. In the South Miss. This year the tennis team worked hard but had fun. We got off to a slow start but as the season pro-gressed, we improved rapidly. By the end of the season, we were ready for the State Tournament. Timmy Starnes and David Shepard--first doubles, Gail Langley and Cindy Starnes--second doubles, and Ruthie Drake--first singles--progressed to the semi-finals. With ex-cellence our team placed sixth in the state. We all thank Mr. Matthews for helping to make this year such a successful one. We are all set for many practice sessions this sum-mer to prepare for a winning season of '74.

### **BETA CLUB**

The Beta Club is sponsored by James Shilato. Steve Dobbs acted as president, Vernon Guthrie as vice-president, Ruthie Drake as secretary, and Sally Hatcher as treasurer. The group consists of eight seniors, nine juniors, thirteen sopho-mores, and three freshmen. To be a member of the Beta Club you have to have an overall average of 92 or better and can have no C's.

At the beginning of the second sem-ester the Beta Club initiated nine new members. They were: Arthur Cooper, Norma Bearden, Maggie Fife, Timmy Starnes, John Nichols, Beth Daniels, Ann Lee, Millie Goodwin, and Sarah Guthrie.

THE SOUND-OFF staff has worked very hard this year, and shall continue in their effort, even after you have gone home. There is no fan club, or cheering section for this loyal group that gives of their time and talents that this, your year at Chamberlain-Hunt Academy may be forever captured in pictures and the printed word. Their Goal is to cover the events of the school day, and the school year, and all the activities as they hap-pen. The staff started out with fourteen members. Eleven have been faithful workers, collecting materials, writing copy, typing, composing captions, doing creative artwork, selling ads, laying out pages. All of this is no small job, and the whole staff are to be complimented on a real team effort. The six juniors have gained much experience this year. We shall miss the graduating seniors of our staff. We wish them much success in their college entering a comparison of the school way and the school way are school way and the school way and the school way and the school way are school way and the school way and the school way are school way are school way and the school way are school w their college experiences. #### STAGE BAND

This is the first year for the stage band at C.H.A. It was organized to provide learning opportunity and provide entertainment and publicity for the school.

The stage band participated in Parents' Day held in October. They gave concerts for Council No. 6 in Jackson, for the Presbyterian Men's Club in Port Gibson, and for the PTO at Claiborne Educational Foundation. The highlight of the year was a presentation at the Mississippi Arts Festival Saturday, May 5.

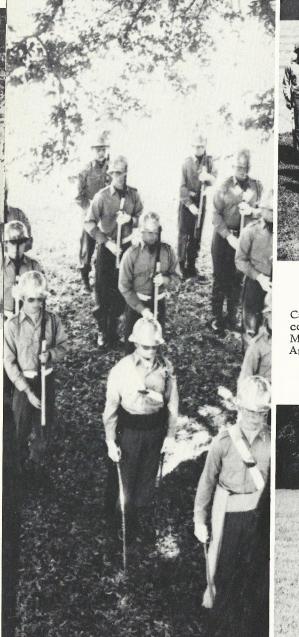

FRONT ROW--L. TO R.: Jan Jordan, Beth Daniels, Lisa Mooney, Cindy Clune, Debbie Spayd, Shirley Salter, Mille Goodwin, Maggie Fife, Patsy Hynum, Nancy Regan, Betty Lee. BACK ROW--L. TO R.: Steve Matta, Randy Meadows, Roy Martin, Rod Lowe, Bill Lowry, Buddy Nelson, Richard Shephard.

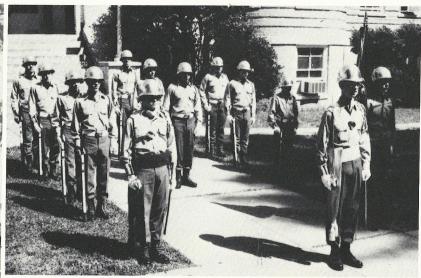

#### CHORUS

In October the chorus gave a concert for Parents' Day. Their first trip was an overnight trip to Greenwood where they were entertained by the ladies of the church. Their trip to Jackson began their Christmas tour, in which they presented a lovely night service. The next two Christmas programs were presented at the Presbyterian Church in Port Gibson, where they sang special numbers for a morning service and a night service. In February the chorus traveled to Magnolia. In April they were to Pine Ridge in Natchez. They were served a dinner-on-the-ground after the services followed by popular music from the chorus and the stage band.

# SENIOR FLAG CEREMONY

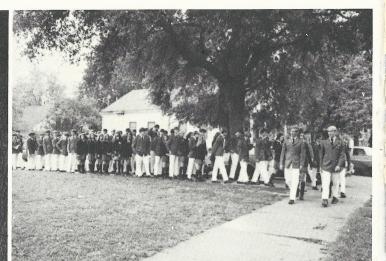

A Senior Cadet receives from his family a flag to be presented to the president of Chamberlain-Hunt Academy to be flown on campus during the coming school term. On Saturday night before graduation, the Senior Class disposed of their flag in a dignified way, with honor and respect, by burning.

# FIRST PRESBYTERIAN CHURCH

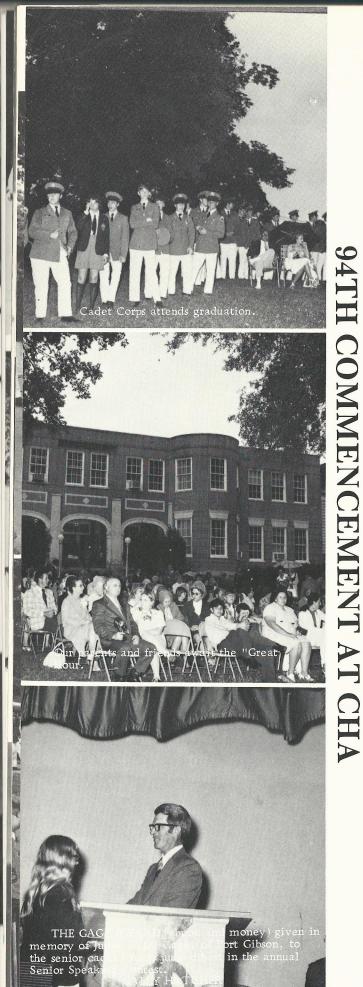

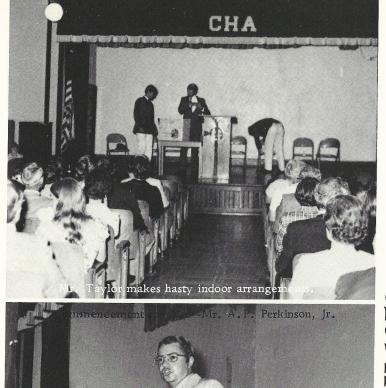

The Reverend Frederick Z. Woodward, pastor of the J.J. White Memorial Presbyterian Church of McComb.

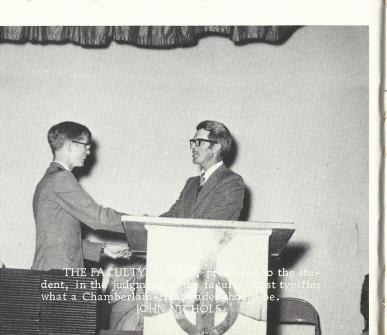

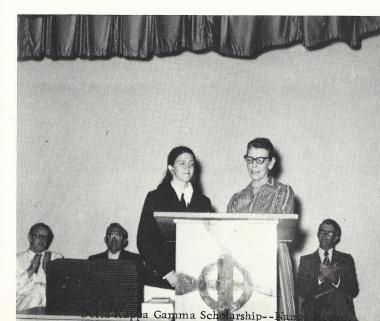

Commencement began on a cool and peaceful Sunday afternoon. The scene was set on front campus. As the hour approached, thunder clouds began to form. Torrents of rain sent our parents and friends, with chairs in hand, into the Academy Chapel. Although there was a change in weather, the enthu-

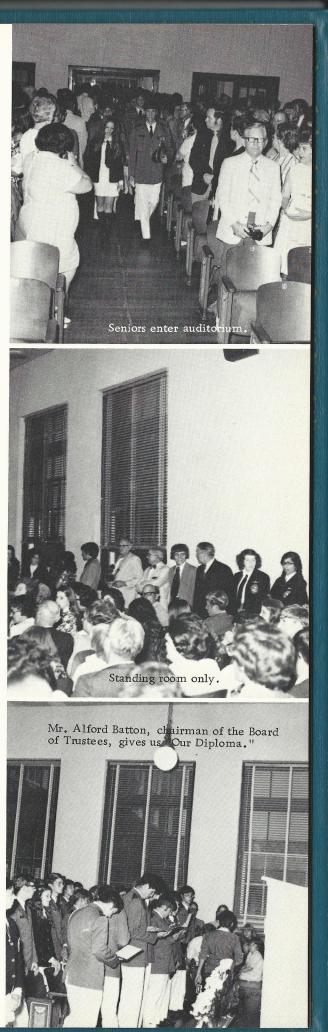

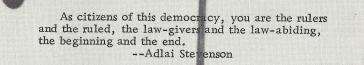

siasm of our class was not dampened. We hastily formed the lines for our last march into the Chapel. Our speaker, Mr. Perkinson from Millsaps College, shared with us ideas and truths for guidance in our future lives. Special awards were given, but the most coveted was received by all--our diploma.

There Will Always Be Someone Taking Your Measure. There Will Always Be Someone Taking Your Measure. Some measures are taken with a tape but the most important measures of life are taken by the people who size up, whether it be a sweetheart, a class-mate, or a son or daughter, or a prospective employer. There is always some keen eye, whether we know it or not, scrutinizing the dimensions not only of our physiques but of our minds, abilities and characters. Your training at Chamberlain-Hunt Academy has been designed to improve the dimensions of both your mind and character so that when you graduate it can be said that here stands a Cadet four-square to the world, ready and eager to shoulder the responsibilities which his particular talents and abilities qualify him to assume.

him to assume.

We measure Cadets for uniforms. Our customers measure us in their apprais-al of our ability to execute a uniform contract satisfactorily. It will be a neverending effort on our part to keep our measurements good in the eyes of Chamberlain-Hunt Academy.

We salute the Graduation Class and wish you all Godspeed in your chosen field of endeavor.
